Dear Friend,

As you might be aware, although the organisation's roots go back to 1988, the 20th January 2017 will mark the 25th anniversary of Liverpool Citizen Advocacy beginning its work of supporting voluntary action through community partnerships. In addition to wishing to celebrate this important date, we are also keen to secure the future of the organisation's important work for and with disadvantaged and isolated people within our communities.

LCA needs to secure core project funding from April 2017 and also wishes to further develop the Agnes Woodford Project. In order to assist the organisation with these tasks, a number of us have decided to set up Friends of LCA and we invite you to join us. There is no fee for membership, but as a Friend you could take on any of a number of tasks:

- *Help to publicise the work of the organisation*
- *Encourage people to donate towards or fund its work*
- *Make a regular monthly contribution via a Standing Order towards its work*
- *Make a one-off donation towards its work (e.g. £50 would cover the costs of one of the monthly community lunches)*
- *Arrange fund-raising events for the organisation*
- *Organise your own sponsorship event – be as creative as you like!*

You will find a membership application enclosed or attached, together with an additional form for anyone that might want to make a financial contribution.

With very best wishes.
Yours sincerely,

Joe Monaghan
