

Exploring materials: Art classes

My class has got too big! So for the Spring term I'm going to trial having 2 classes with 10 spaces each. Here are the details:

Monday mornings (9.30 – 11.45) at the Unitarian Church, York Avenue, L17 2AA Parking available. Upstairs room.

Tuesday mornings (10.00 – 12.15) at Northern Lights Building, Cains Brewery Village, 5 Mann Street, L8 5AF Free parking available (5 mins walk) or paid parking nearer at hand. Level access, disabled toilets.

Both classes will start week beginning 8 January 2018 and run till w/b 19 March. The cost for the term is £65 (for an 11 week term.)

Both classes are suitable for beginners and those with more experience.

Classes aim:

- To be fun
- To improve your skills, but also stretch you
- To introduce you to new media and new ways of working
- To increase your confidence as an artist
