Dear Resident

Police officers will be out and about visiting all addresses to offer reassurance and crime prevention advice to residents regarding securing their vehicles.

To help keep your property and valuables safe, there are a number of things that you can do to support us:

- Always lock your car doors and windows.
- If possible park, somewhere well lit .
- Please remove all valuables from your vehicle. If this is not possible or practical please secure them out of sight in the boot.

If you see anybody acting suspicious, please contact the Police, via 101, or on the website [www.merseyside.police.uk/](http://www.merseyside.police.uk/), if it is an emergency please contact 999.

Car thieves are opportunists so please don't make it easy for them. If you would like more information about how to keep you and your property safe, visit [www.merseyside.police.uk/crimeprevention](http://www.merseyside.police.uk/crimeprevention) or contact your local police team (777-4684)

Alternatively, call Crimestoppers anonymously on 0800 555 111. They are a national charity independent to the police. You won't be asked your name, just what you know.

Please be reassured that your Neighbourhood Policing Team is doing everything possible to reduce crime further. By looking after your property and keeping an eye out on your street you can help us bring it down too.

Please feel free to follow us on twitter – Merseyside Police Riverside team

Many thanks for your support

Yours faithfully
