

Richie the Ranger Guided Walks & Events. September 2021

Hi All, Welcome back to our guided walks. So nice to get back to a bit of normality but, of course, we still need to be safe. So for the time being walks will be booking only (places will be limited for social distance) and to start it will be one guided walk a week instead of the usual two. Walks last hour and a half and are easy walks unless otherwise stated

Tuesday 7th September 1.00pm

Historical Tour of Sefton Park

Join us for this fascinating walk as we discover the history and features of this beautiful park. The walk traces to history of the area from the first Viking settlements, to the Victorian development of the park through to present day.

We also explore the fine monuments and statues found within the park, discovering the fascinating stories behind them and we also visit the beautiful Palm House to learn of its origins, and its amazing benefactor, and of course its stunning plant collection.
